## 1 Overview

This is a sample document to guide you in the MS thesis format at Sejong University. With most articles being written in Latex, I wonder why there is no template available. So, I created one. You can use this as a template and change it however you like. Note that there are three different examples shown at <https://sejong-kr.libguides.com/c.php?g=930661&p=6770589> currently.
